Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

AMENDMENT UNDER 37 CFR 1.48(a)

This amendment is being filed to add Gregory Scot Miracle as an Applicant/Inventor in United States Application Serial Number 10/069,628, pursuant to 37 CFR 1.48(a).

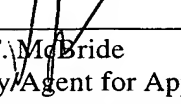

REMARKS

Due to the filing of PCT International Application Number PCT/US00/23322, which omitted Gregory Scot Miracle as an Inventor in the application and to which United States Application Serial Number 10/069,628 claims priority, said United States Application Number 10/069,628 needs correction to add Gregory Scot Miracle as an Applicant/Inventor. The enclosed Statement of Gregory Scot Miracle, Declaration, Written Consent of the Assignee, and Petition to the Commissioner to permit the correction of inventorship, as required by 37 CFR 1.48(a), are being filed concurrently.

CONCLUSION

Applicant and Applicant's Assignee respectfully request that the amendment to the present application be entered and inventorship corrected.

Respectfully submitted,
FOR: ROBERT RICHARD DYKSTRA
